

Randy Wong

Chief Instructor, Medicine Hat 2010 Sessions

We are pleased to have Randy Wong join us again as chief Instructor at our Medicine Hat camp. Randy was raised in Redcliff and played Major-Junior for the New Westminster Bruins before going to NAIT where he was a 3 time Canadian champion with the Oaks. After graduation, he played Pro for Columbus. He was Assistant Coach for 4 years for the Medicine Hat Tigers.

Perry Pearn's 3 vs. 3 Hockey Camps Inc.

New high performance format included. High tempo drills, full-ice scrimmage, high performance conditioning. Drills designed for the committed hockey player. The sessions will feature a professional warm-up and cool-down with some high tempo skill enhancement drills leading into the '3 vs. 3' and full-ice competition. The key element to the program is the '3 vs. 3' half ice games focusing on speed and skill. The end results will emphasize reading and reacting skills, high-speed individual skill development, improved offensive and defensive awareness as well as excellent game conditioning. The coaching provided will be positive and constructively corrective while creating a motivated environment for learning and developing. This program is designed for hockey players to aid in preparation for competitive fall camps. We hope this camp will put fun into improving your game and working out!

The game format will feature 4 teams of 7 skaters - each playing nine to fifteen minute games in a round robin competition each evening. Four goaltenders will be required rotating in by periods at each end (two goaltenders at each end). We provide qualified goalie instruction and coaching at each session.

What makes this camp distinctive? Team standings and individual goal and assist stats are recorded and posted. We have had a lot of success getting players ready for their fall camps.
