Perry Pearn's 3 vs. 3 Hockey Camps Inc.

This program is designed for hockey players to aid in preparation for competitive fall camps. The sessions will feature a professional warm-up and cool-down with some high tempo skill enhancement drills leading into the 3 vs. 3 competition. The key element to the program is the 3 vs. 3 half ice games focusing on speed and skill. The end results will emphasize reading and reacting skills, high-speed individual skill development, improved offensive and defensive awareness as well as excellent game conditioning. The coaching provided will be positive and constructively corrective while creating a motivated environment for learning and developing.

The game format will feature 4 teams of 8 skaters - each playing nine to fifteen minute games in a round robin competition each evening. Four goaltenders will be required rotating in by periods at each end (two goaltenders at each end). We provide qualified goalie instruction and coaching at each session.

What makes this camp distinctive? Team standings and individual goal and assist stats are recorded and posted. We have had a lot of success getting players ready for their fall camps.
